INTRODUCTION

For the first time ever, the College Illinois!® 529 Prepaid Tuition Program is offering discounted pricing monthly—the earlier you apply and make your initial payment, the lower your contract price.

Prices adjust on the first day of each new month, every month, until October 31, 2010 when tuition and fees are recalculated for the 2010 – 2011 plan period, so it pays to purchase sooner than later.

Because prices go up every month, you pay less the earlier you enroll. Just remember: your initial payment is due the first day of the second month after the application is received by the College Illinois! 529 Prepaid Tuition Program.

Prices change monthly but our payment options keep plans affordable and we make it as easy as possible for you to enroll:

Pay with a credit card or sign up for auto-pay debited directly from your bank account when you apply online or submit the application in the envelope provided in the back pocket of this enrollment kit with a check for your first payment.

For a complete description of the terms and conditions of, and risks associated with the purchase of a College Illinois! 529 Prepaid Tuition Program contract, please see the Master Agreement and Disclosure Statement enclosed in this enrollment kit.

All contract prices listed in this pricing book are deemed accurate through October 2010. For more information, please call our customer service representatives toll-free at 1-877-877-3724.

Pricing charts include prices for all age groups under all three SmartChoice plans. Please refer to the table of contents below to see prices for your anticipated month of enrollment.
